A beautiful garden shaded by mature trees and shrubs giving it a secluded tranquillity. A once unpromising piece of garden has been converted into a terraced and productive vegetable plot. The lawn is shaped into three circles to allow for beds and borders with a colourful variety of shrubs and flowers. A pond with waterfall provides a home for frogs and fish.

31 Preston Park Avenue, BN1 6HG

This stunning garden is on four levels. First the front, then bright pink steps covered in pots leading from a glass veranda to the main part of the garden. Followed by the last level, which is secluded and has apple trees and a wildflower area. The planting is that of a cottage style and aims to incorporate controlled naturalism.

Open 27th June
